Milwaukee Fire and Police Commission
200 East Wells Street, Room 706A
Milwaukee, WI 53202

January 11, 2018

Honorable Board of Fire and Police Commissioners,

The Milwaukee Police Department has gone through myriad changes in the last decade. Some of those changes have been positive for the agency, e.g. the use of data to drive decisions as well as opportunities to learn from other law enforcement agencies. However, some changes have been negative e.g. the pursuit and immigration policies, the lack of transparency and failed community police relations.

In order for the Milwaukee Police Department to rebuild, the Milwaukee Fire and Police Commission must select a police chief who is transparent, committed to learning from the mistakes of previous administrations and be willing to think about the safety of both citizens and officers when making decisions.

The city of Milwaukee and Milwaukee Police Department needs real change. As the Commission undertakes the enormous task of selecting an interim and permanent chief, the LOM is hopeful that the qualities listed above are considered during your deliberation.

Respectfully,

Sheronda Grant
President of
